

International Friends Club

Support and Cultural Exchange for International Women

IFC is a club of American women who have lived internationally and foreign national women currently residing in the United States. The Club's purpose is to foster cultural understanding, form social ties within the international community and provide a place to share mutual experiences. Our goal is the enrichment of our lives through the sharing of various experiences and traditions by providing a social network for women in the New Jersey/New York area.

The International Friends Club has provided support and a very exciting social network to many women in the New Jersey and New York Metropolitan area. We have established **regular monthly meetings** at members' homes as well as **one monthly activity**, such as daylong outings, museum tours, luncheons, and lectures. Our ongoing special interest groups include book discussions, language exchange, international cooking, music, crafts, bridge and many more.

Our members come from around the world. We **welcome** all new members who have returned from overseas or have moved here from another country. **Join us** to socialize with other internationals and share their cultural heritage. The annual membership fee is \$30.
